ASR amplifier I	equipment	price
ASR Emitter I	solid state integrated power amplifier, 2x 250 W / 4 Ohm , separate power supply with Magic-Cord 1,5m 6x highlevel-inputs, 1x direct-input, 1x tape output 373.000µf capacity, ASR remote control	5.800,00 €
ASR Emitter I Exclusive	high end solid state integrated power amplifier, 2x 290 W / 4 Ohm , prepared for battery power supply separate power supply with Magic-Cord 1,5m 6x highlevel-input incl. 1x balanced (XLR), 1x direct-input, 1x tape output 573.000µf capacity, metall-feets for amplifier ASR remote control, built in active power parts	7.800,00 €
ASR Emitter I Exclusive battery power supply	input stage with battery power supply high end solid state integrated power amplifier, 2x 290 W / 4 Ohm , separate power supply with Magic-Cord 1,5m 6x highlevel-input incl. 1x balanced (XLR), 1x direct-input, 1x tape output 1.001.000µf capacity, metall-feets for amplifier ASR remote control, built in active power parts	10.000,00 €
ASR battery power supply only		2.300,00 €
ASR Emitter I Clear Blue	the same as ASR Emitter I including the following options: Version Blue-finish in transparent case, 1x balanced (XLR) input, capacitor-board 453.000µf, metall-feet for amplifier	7.000,00 €

ASR amplifier II	equipment	price
ASR Emitter II	solid state integrated power amplifier, 2x 450 W / 4 Ohm , 2 separate power supplys with 2x Magic-Cord 1,5m 6x highlevel-inputs, 1x direct-input, 2x tape output 688.000µf capacity, ASR remote control	8.500,00 €
ASR Emitter II Exclusive	high end solid state integrated power amplifier, 2x 500 W / 4 Ohm , prepared for battery power supply 2 separate power supplys with 2x Magic-Cord 1,5m 6x highlevel-inputs incl. 1x balanced (XLR), 1x direct-input, 2x tape output 888.000µf capacity, metall-feet for amplifier ASR remote control, 2 built in active power parts	11.400,00 €
ASR Emitter II Exclusive battery power supply	input stage with battery power supply high end solid state integrated power amplifier, 2x 500 W / 4 Ohm , 2 separate power supplys with 2x Magic-Cord 1,5m 6x highlevel-inputs incl. 1x balanced (XLR), 1x direct-input, 2x tape output 1.316.000µf capacity, metall-feet for amplifier ASR remote control, 2 built in active power parts	13.600,00 €
ASR battery power supply only		2.300,00 €

ASR preamplifier	equipment	price
ASR Mini-Basis	external, adjustable Phono MM/MC pre-amplifier in acrylic-case	900,00 €
ASR Mini-Basis Exclusive	same with ASR Magic Power cord 150cm and AD 843 SQ	1.400,00 €
ASR Basis Exclusive	high end Phono MC pre-amplifier with battery power supply unbalanced (RCA) and balanced input (XLR), metall-feet for pre-amplifier	4.300,00 €
	same as above with 2 unbalanced (RCA) and 2 balanced inputs (XLR)	4.600,00 €

ASR accessories	equipment	price
ASR Remote Control	solid case from Corian, with stainless stell buttom	400,00 €
ASR Magic Cord	shielded powercord, hand made, 150 cm	250,00 €
ASR Active Magic Cord	for all components with active power parts, max. 2500 VA, 150 cm	500,00 €
ASR Maintenance	acrylic cleaner 500 ml	15,00 €
	cleaning clothes 25 x 28 cm	12,00 €
	acrylic polish	18,00 €
	acrylic wax	20,00 €

ASR extras		additional charge	
technical extras for standard Emitter I and II (series in Emitter Exlcusive)	increased Exclusive capacitor-board 573.000 µF for Emitter I	1 pair	700,00 €
	increased Exclusive capacitor-board 888.000 µF for Emitter II	1 pair	1.000,00 €
	stereo balanced input with 2x XLR sockets for CD players etc.	1 pair	250,00 €
	4 solid metall feet in chrom or gold for amplifier unit	4 pcs.	180,00 €
	built in active power parts, each power supply additional charge	1 pcs.	300,00 €
optical extras	engravement and knobs in gold instead of chrom		110,00 €
	4 metall-feet in gold or chrom for one power supply	for 1 PSU	180,00 €
	transparent case for ASR Emitter I		280,00 €
	"Version Blue" : blue LED's and blue display, engraving "Version Blue"		480,00 €
	solid metall-feet in chrom, silver or black heatsinks		on request
	special engraving on front and/or backplate from you wishes		on request
extra outputs	silver heatsink Emitter I, additional charge	4 pcs.	140,00 €
	silver heatsink Emitter II, additional charge	4 pcs.	200,00 €
	Chrome plated Heatsinks for Emitter II, on special order		on request
	headphone output in rear- or frontplate, 6,3 mm socket	1 pcs.	130,00 €
	second pair of speaker output connectors, switchable or for Biwire	1 pair	200,00 €
	third pair of speaker-output-connectors, only available at Emitter II	1 pair	240,00 €
	WBT -speaker-output-connectors No. 0702.11 additional charge	4 pair	220,00 €
	Sub-Out for active subwoofer or usable as pre out to other amlifiers	1 pair	140,00 €
additional tape output for Emitter I and II	1 pair	90,00 €	
extra inputs	Digital link used to control "slave" Emitters from a "master" Emitter		160,00 €
	seventh high level input for ASR Emitter I / II and Exclusive	1 pair	170,00 €
	eighth high level input only available for ASR Emitter II and Exclusive	1 pair	250,00 €
	second balanced input with XLR sockets, only for ASR Emitter II	1 pair	280,00 €
	bypass input, bypasses the volume control for home cinema	1 pair	250,00 €
	monitor for the tape input for rear band tape monitoring	1 pcs.	200,00 €
	plug-in MM/MC phono board for ASR Emitter I/II	1 pcs.	300,00 €
plug-in phono board instead of balanced input for ASR Emitter I/II Exclusive		160,00 €	

Phono board **AND** balanced input board are not available together for ASR Emitter, there is one plug in place.
